Mateusz Małecki
web developer

It's really inspiring for me, that working with network or as a programmer is to become an architect of world that is a great part of everyone's life. I would like to learn as much as possible and confront challenges.

2015 - 2018	**University of the Arts Poznan** Bachelor Degree in Painting

Git / GitHub

Yarn

Gulp

COMMUNICATION

LANGUAGE

Polish English

INTERPESONAL SKILLS

Resolving conflicts
Always open-minded
Adaptable
Able to work under pressure
Relatioship building

INSTRESTS

I like reading Jean Baudillard or GIlles Deleuze. Listen to post-punk, sometimes jazz. Watching horror movies with bad score on IMDb.

I am respectful, honest and hard-working person who is looking for a chance to test his skills.
